The New Amsterdamites had allowed it to stay pretty much the way the whirlibirds had built it, only taking down an obstruction here and there to allow humans to move around. It was a maze of gauzy walls and plastic struts, with clear plastic pipes running all over and carrying fluids of pale blue, pink, gold, and wine. Metal spigots from the Podkayne had been inserted in some of the pipes. McKillian was kept busy refilling glasses for the visitors who wanted to sample the antifreeze solution that was fifty per cent ethanol. It was good stuff, Captain Singh reflected as he drained his third glass, and that was what he still couldn't understand..And hi each drop of water on each strand of the web, the light was broken up as if through a tiny prism into blues and yellows and reds, As they looked, Jack sighed. For that, we're better oft than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me?"..unapproachable. Then she asked Craw-ford to join her in the private shelter.
