It was painful to leave the mystery for later, but there was nothing to be done about it. They could not bring themselves to uproot the thing, even when five more like it sprouted in the graveyard. There was a new consensus among them to leave the Martian plants and animals alone. Like nervous atheists, most of them didn't believe Song's theories but had an uneasy feeling of trespassing when they went through the gardens. They felt subconsciously that it might be better to leave them alone in case they turned out to be private property. lungs and dove headlong into the pool. poem, which she handed to Barry to read: The grey man looked after Amos until he disappeared. Then he put his hand on his head, which was beginning to throb a little, and leaned against the black trunk which had been carried to the deck. "What happened to you?" Amos asked, and Jack told him. I hesitate, then say, "Sure, I'm almost done with the board." Barry said nothing, but his expression must have conveyed his disapproval.
