"No. So this drinking is like wearing clothes? Just as necessary?" "Well, take care. I saw the fox on the full-moon night," Dulse said, and went on his way. There was a wise man on our Hill. Otter passed the domed chamber of the roaster pit and its hurrying slaves, and climbed slowly up on the banks of the Amia, when everybody else was sleeping. She would not think of him at night. The winter passed by, and the cold early spring, and with the warm late spring came a letter from his mother, brought by a carter. Diamond read it and took it to Master Hemlock, saying, "My mother wonders if I might spend a month at home this summer." She looked at him in the starlight, and said, "Tell me your name - not your true name - only what the eyes on her dress actually opened and closed. We have gone too far. For the Archmage and Lebannen to go bodily into death, and return - it was not right. They broke a law that must not be broken. It was to restore the law that Thorion returned." file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (13 of 111) [2/5/2004 12:33:30 AM]. Across the hurrying flow of people, above their heads, I noticed a window in the distance. "I have a neighbor," said the black-braided woman, "who might have some paper, if you're after." "It is the lode," the young man said. Staggering wildly the wizard tried to turn, lost his footing on the crumbling edge, and plunged. At first he had thought Diamond had a knack such as many children had and then lost, a stray spark of magery. When he was a little boy, Golden himself had been able to make his own shadow shine and sparkle. His family had praised him for the trick and made him show it off to visitors; and then when he was seven or eight he had lost the hang of it and never
