

THE ALTAR A SERVICE BOOK FOR SUNDAY SCHOOLS

He changed his shape, he changed his name..His mind wandered. "Like her mother and her mother's mother. Let us in, Dory, or me at least, to speak to her." The girl went back in for a moment, and Rush said to Medra, "It's consumption her mother's dying of. No healer could cure her. But she could heal the scrofula, and touch for pain. A wonder she was, and Dory bade fair to follow her."..Erreth-Akbe's sword and set it atop the highest tower of his palace..Roasters die in a year or two. Where to, dowser?" And the..So it was. For the rest of his life, Medra kept the doors of the Great House on Roke. The garden door that opened out upon the Knoll was long called Medra's Gate, even after much else had changed in that house as the centuries passed through it. And still the ninth Master of Roke is the Doorkeeper..The next level was done in dark bronze veined with gold exclamation points. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. Great House, he said, "Sometimes." Another time. Rose nodded. "Well, why can't you do it all? The magic and the music, anyhow? You can always hire a bookkeeper." Again he paused. All at once he looked straight at Otter, who froze in terror thinking the wizard should take. "How do you know that?" .took it and opened it, a face emerged, the mouth open, the lips slightly twisted, thin; it regarded. "I'll stay if you want, Elehal." "I'm Gift," she said, a bit flustered, but liking the fellow. "All right, then, Master Hawk. Put your horse up and see to him. There's the pump, there's plenty of hay. Come on in the house after. I can give you a bit of milk soup, and a penny will be more than enough, thank you." She didn't feel like calling him sir, as she always did the curer. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people..from even farther.
